Dear Friend:

This is to thank you, and every member of your organization, for your kindness and thoughtfulness in sending me a box of chocolates. And also for the latest issue of "On the Campus". I found the Service Club notes especially interesting for it showed me where some of my old school chums are now serving.

You may rest assured that this new club is certainly rendering a great service on behalf of our country. There is nothing that gives a fellow up as much as knowing that the folks at home

have not forgotten him. and it  
will be this inspired spirit that  
will carry us through to ultimate  
victory.

My acknowledgement is rather  
belated due to the fact that from  
the 3rd until the 13th of May I  
was at home in Providence on  
furlough and just received the  
package this morning. Had I  
known of it I certainly would  
have stopped in personally to  
thank you for your kindness.

Sincerely yours,  
Bob Donaldson.
