Bryant Service Club,
Bryant College
Providence, R.I.

Gentlemen:

I wish to thank you very much for the service you are performing for your graduates. To you it may be a small thing in comparison to all the boys are sacrificing at this time, but it certainly is appreciated by them, and by their wives and mothers at home.

Philip thanks you sincerely,
and wishes you continued
success in this endeavor.

Very truly yours,
(Mrs. Philip) Helen Torr
