Bryant College Service Club
Bryant College,
Providence, R.I.

Dear Miss Blaney,

With sincere apology to you and members of the Bryant Service Club for this late acknowledgement in receiving your splendid gifts, I express my deepest thanks and appreciation.

I was pleased and very surprised upon receiving your wonderful gifts. Most significant for the pleasure one has of receiving such gifts is the gratitude and appreciation of being remembered. The gratitude and appreciation are mine, my thanks to everyone of you.

Congratulations to you and all club members whose work

made possible your generous thought
of those in the service.

The club is not only a credit
to Bryant College but a successful
and worthy organization rendering
a great service to both the present
student body and the alumni.

My best wishes to you for a
New Year of success and service.

Sincerely
Capt. James R. Dow.
