

CAMP LEE, VIRGINIA

May 28, 1943

To The Bryant Service Club:

I was a student at Bryant and a member of the E.R.C. When the E.R.C. was called to active service, I entered the army. Fortunately, sixteen Bryant boys, including myself, were stationed here at Camp Lee. We were getting along very nicely when I became ill. I've been in the hospital for the past five weeks with stomach trouble and as things look now, I'll be here for several weeks more. Upon entering the hospital, I lost contact with the other Bryant boys.

Therefore I would appreciate it very much if
you will let me know how things are
at school.

As ever,
Loring Factor
