To All Members of Bryant's Service Club.

I received your Xmas greetings and I may have an opportunity to thank you all personally in the near future. Until that time I'll say "Thanks Million".

My training is at an end and I'll receive my wing on Xmas day as Navigator, so you can appreciate the fact that time is at a premium.

I do hope I can see some of you on my leave but until then Thanks again and good luck to all of you
