

October 13, 1943

It was certainly a privilege and pleasure indeed to have received your letter, also, the package that was sent to me on March 12, 1943. As a matter of fact the package was forward on to me at Ft. Benning Georgia from Camp Polk, Louisiana.

In June 12, 1943. I was commissioned as a 2nd Lt. being graduated at the Officer's Training School at Benning.

My address at the present time.

Nicholas A. Ferri
2nd Lt. Inf. O-1321086
A.P.O. 7211 c/o Postmaster;
San Francisco, California

Give my regards to all. Hoping the day will come soon when we can have a great reunion at Bryant.

Sincerely

St. Nicholas A. Ferri

Has Mr. Richards lost any
