

UNITED STATES COAST GUARD

Gentlemen:

This letter is to bring you up to date on my service standing.

I noticed that you had my graduation date 1920 on one of the Alumni Bulletins. I corrected this verbally, but want to take the opportunity to make sure that you don't have me ten years older than I really am. I'm just old enough to be sensitive about it. I believe it was 1930 when I graduated.

I enlisted in the Coast Guard 12 September, 1942, and am a second class yeoman.

See if you can't get the training of the Spars. A little Bryant schooling goes a long way.

Yours very truly

Marshall M. Fowler
