THIS SIDE OF CARD IS FOR ADDRESS

Miss Clara Blaney
Bryant College
Providence, Rhode Island

dear Miss Blaney -

Well, I finally make
it, and we are sitting
in our barracks
doing nothing. When
we get to Base Training
we will really get
down to work. As it
is, we put in some
time drilling, getting
letters - perfect in
making a bed. Good
luck to the Senior Class
and regards to all,
Josephine Hafford
