Dear Friends,

I want to thank you kindly for the
swell gift - it sure did hit home!

It sure makes one feel good to know that
the folks back home haven't forgotten
them now that they are far away.

I am being moved around so much I believe
it would be better if my mail was sent
to my home at 18 Iowa St., Prov., R.I.

Give my regards to Mr. Vinal, Mr. Galois,
and last but not least Mr. Richards.

Best regards,

Sincerely,

Marty (Golden)
