Dear Friends at Bryant

Two years since I have been at Bryant and it seems ages. It was nice of you to remember the former occupant of Garden Hall. Thank you very much for the very fine box of Candy.

Irene Field is still my address, probably one of the few in your list that has not changed. I had hoped I seeing China but I guess that is all that I will have.

George I am having fun playing railroad puncher. One locomotive and a little over a mile of track.

Thank you again.

Yours
Chas. Hammond
