Bryant Service Club.

I wish to thank you for the cigarettes which you so thoughtfully sent me. It really gives a fellow a swell feeling inside to know that the students at Bryant are still remembering their alumni. I have yet to meet fellows from any other colleges who are treated with the same consideration that you treat your men in the service. I certainly appreciate all you have done and you deserve a great deal of credit for the work that you are doing. Give my regards to the faculty and thanks again for everything.

Sincerely
John K. Hall
