Dear Bryant Service Club:

It certainly was nice to receive your package of sweets as all of my buddies appreciated it too.

Believe it or not there are five former Bryant students in my barracks - Charles Tomkins, John Rok, Russel Alinzi, Raymond Murphy, Peter Shuggott. The army is certainly taking its share from Bryant.

I worked for 12 weeks in the Camp Devens Personnel Office but as I didn't have my basic

training I was shipped
down here to Camp Lee. I
have hope of getting into
some clerical job when
my training is over but
knowing the government I
am not banking on it.

Wishing to thank you
again for thinking of the
boys in the Service.

Sincerely,
Bill (McCaughy)
