

ARMORED FORCE TRAINING CENTER
FORT KNOX, KENTUCKY

June 31, 1943

Dear Service Club Members,

I received your most welcomed package, and I want to thank everyone who was responsible for such a nice gift.

It was a glorious feeling to know that the package came from the Bryant Service Club.

I am in the Armored Force, and I like it very much, but I miss Bryant College even more. I someday hope to return to Bryant and complete my education. I sincerely hope that the Bryant Service Club continues to be a success, so that it may keep up the good work.

The boys of the Bryant C. R. C. are now members of a large team. We have a job to do, and we must do it well. Our only regret is that we could not finish our education, but this war will never stop us from returning to good old Bryant.

ARMORED FORCE TRAINING CENTER
FORT RNOX, KENTUCKY

Life here at Fort Knox is very exciting,
and it is typical of the Armored Force.

I have had training in Tanks and Scout
Cars, and it's a wonderful experience.

I am a Battle Replacement, so I won't
be in the O. S. C. very long, but no matter
where I go I will always remember Bryant
College, and the Bryant Service Club.

Sincerely,
Capt. Anthony A. Merola
