Chairman, Bryant Service Club  
Bryant College, Providence, R.I.

Dear Sir:

The box of candy sent to the above address, by the Service Club, arrived safely intact and was greatly appreciated, indeed.

That and "On the Campus" which arrived today have brought my thoughts back to my 'school days'. Everything is so fast and exciting that we have nearly no time at all to relive our past memories.

May I again thank you all.

Sincerely

Corporal Edward W. Newton, "40"
