Dear Classmates:

I want to extend my sincere thanks to the Bryant Service Club and all my friends for the swell gift. It really shows me that my pals out "there" are not forgotten. It beats me how you found out my address. You guys and gals are on the ball. My pal "Monk" Mandato has been promoted to Corporal in the Engineer's Camp Claiborne. If

any of you remember me,
you must remember "Monk".
My brother Angelo, a
former night student, will
report for active duty at
the Marine Corps Base at
Parris Island on Dec 13th.
I'll give you ^{his} address later.

If any of my pals are
still at the good old school,
I wish they would drop
me a line. Here's hoping
that "Monk" and I will be
parking my little "1-8" near
the old iron fence again
some day soon. Thanks
again from the bottom of
my heart.

Your pal,
Pat. "Matt"

P.S. Your pkg was
forwarded from Van Dorn, Miss.
