Dear Friends,

Thank you very much for the fine & very informative letter you sent. Such work as that done by the B. I. C. is greatly appreciated, I assure you.

Things are certainly happening fast at Bugant. Almost as fast as they've been happening to me!

My address has

been changed. I'm now
undergoing a pretty rugged
schedule at Finance
Officers Training School.

My address is:

Mrs. Shuman Rosen

Class 15-C

Fin. O.C.S.

Duke University

Durham, N.C.

I'm really sorry that
time doesn't permit me
to answer you in detail,
but the pressure of our

Training here at this second West Point is too great & too intensive to allow for such things as spare time for letter writing.

However, I do appreciate your interest & will be very pleased to receive further news from you.

Kindest regards to the Faculty & School.

Sincerely,

Samuel Rosen
