Dear Members:

Your package arrived
today in excellent shape and
you may be sure it is
appreciated very much.

It is little things
such as that from the boys
and girls back home that
make us who are in the

service realize that when this
war is ended we may all
be the better for it, and that
what we are doing is known
and appreciated by you.

Thanks again and
Good Luck and Merry
Christmas to all of you.

Sincerely,

Pfc Harold Shelton
