To the members of the Beyond Service  
Club:

Last week I had the pleasant  
surprise of receiving the "Beyond News"  
along with a very welcome letter  
from the members of the Service  
Club! Today I received an Xmas  
gift from the Club & I want to  
thank them very much for sending  
me these! It sure was a surprise  
& a pleasure to read the Beyond  
news & to learn what is going  
on in my good ole Alma Mater!  
Beyond is certainly well represented  
the various services!! So far

I haven't run across any of my  
former classmates ~~my~~ but I hear  
from several of them often.

I am now at Victorville, Calif.  
& after being commissioned here &  
expect to move East again - if it  
is possible I want to visit you  
old Rev. again & Bryant College.

Please keep the Bryant News  
coming my way & have the best  
of luck for the Service Club in '43.

Thanks again for everything!

Sincerely,

Wm. Ray Smith
