Mr. Everyone:

Just a line to thank you for the suggestions you sent. Just made me think of a slogan Bryant should adopt. Wherever you go, Bryant is behind you. I have read it so many times I have practically know it by heart.

Things here in New York are quite different from back Old Road. But my foundation I received at Bryant is still my livelihood. And the why, once I met Bill McCombs, and we are in the same camp.

Keep up the good work. Stay, and I'm sure the boys appreciate what you're doing for them. Thanks again.

Sincerely,
M. Stahl
