Dear Bryant Service Club:

Thanks very much for your Xmas message with all the news of comings and goings among the old grads. While I'm at it I'd like to send belated thanks for last year's Xmas pkg. I have been quite busy and inasmuch as it came after last Christmas my acknowledgment list had been completed and your acknowledgment slipped my mind.

I am very glad to hear of the continued expansion of Bryant and trust it will have a long and healthy era of success.

Again many thanks for your kindness in my behalf.

Sincerely,
John A. Tully
