Dear Fellows

I just received your letter
pertaining to May 30, I just remembered
that I had forgotten to acknowledge
the ~~the~~ package you sent March 4.
We have been on maneuvers in
the California desert for two months
and are now back at our base.

I was interested to see that
Carlo Conti is with the 11th Photo
here. I am going over there to
look him up to-night.

I wish to thank you very much
for the sig, and I hope to see Carl
Conti by to-night.

Respectfully
Oliver Edwards
