Dear Members:

I enjoyed hearing from you again and would like to take this opportunity to thank you for your gift. Your letters bring back many memories and above all it is interesting to learn what is going on at Bryant now.

At the present time I am stationed at Ellis Island, New York working in the pay office. I am very fortunate to be so near New York city because of the many places a service man can go. For night life and entertainment it can't be beat.

Just a few weeks ago I had the pleasure of spending a weekend with a group of Bryant Alumni who had a reunion down here.

Thanking you again for your consideration I remain.

Sincerely yours

Maurice Fitzgerald
