Bryant Service Club :

The address of Edward Newton, at the present is as follows :

Sergeant Edward W. Newton 11032984
351st Quartermaster Co. A.P.O.--942
Seattle Washington

Omit Fort Lewis)

Edward left the States on May 17. He is located in one of the possessions of the United States .

possessions

It takes about a month for packages which we send to reach him , sometimes a little longer, but eventually he receives them all.

When I write to Edward I will ask him if he received the package sent June 9th by The Bryant Service Club. Edward is usually very prompt in his acknowledgements.

Our air mail letters reach him in from four to six days. We receive his letters in about a week. A little longer time on account of having to be censored.

Wherever Edward is, we don't know the base, he says everything is pleasant and he is feeling especially well.

I think it fine for Bryant to do these things for their boys, and I am sure the boys appreciate it.

Sincerely

Iva M. Newton
