Early Christmas Greetings

This issue of the Bryant Alumni Bulletin goes to press early in November with the hope that it will reach Bryant alumni in service in distant places in time for Christmas.

To them, and to every Bryant alumnus and alumna all over the world, a Very, very Merry Christmas. In a world of chaos and disorder, our Christmas greetings this year bear more good will than ever. The complacency we read about is not felt by any Bryant man or woman. Everywhere they are fighting for our country or carrying on important work at the home front. And wherever there is a Bryant alumnus or alumna this Christmas season, he and she will be thinking of his College and his College friends.

Bryant Waves

Eleanor Eldredge, '38, has left for Oklahoma City to undergo a three month training with the WAVES.

Dorothy L. Vaill, '35, is another Bryant girl headed for the WAVES. Miss Vaill, who has had an interesting secretarial position with the Federal Government in Brockton, Massachusetts, since graduating from Bryant, has received orders qualifying her as an apprentice seaman leading to a commission as Ensign in the WAVES.

Jean R. Hempel, '41, has enlisted in the Women's Reserve, U. S. N. R., and has left for training as a yeoman, at Oklahoma A. and M. at Stillwater, Oklahoma.

Edgar Alger, Jr., '42, has a fine position with the Victor Ring Traveller Company, in Providence. Eddie was one of the fine workers of the Letter-Writing Committee of the Bryant Service Club and an exceedingly popular member of the class of 1942, Business Administration. Despite his great affliction, the result of infantile paralysis, he was one of the most brilliant graduates of Bryant in recent years.

At Your College

Another Commencement has come and gone since the last issue of the ALUMNI BULLETIN, another class of men and women has gone out into the world of business and government. A number of them already are in the Service of our country; some of them left even before graduation, receiving their degrees and diplomas in absentia.

The Address to Graduates was made this year by the Honorable Francis B. Sayre, recent High Commissioner to the Philippines, who gave a very inspiring address, punctuated with references to his thrilling days of danger and worry at Corregidor. An unusual feature of the exercises was the presentation of an Extra-Curricular Award to Nicholas C. Corraci C. T. T., '42, for his many valuable contributions to the extra-curricular affairs during his student days. This was the first time Bryant has ever given an extra-curricular award.

Class Day was unusual in several ways. Sigma Iota Chi presented a Service Flag to the College in honor of Bryant Alumni in the service of our country. The numerals 215 (it has since been increased to 264) are in white on a field of blue. Rousing applause swept the entire audience of graduates and their friends as the beautiful flag was unfurled. It was hung immediately over the front door of South Hall, between the national and the state flags, and it floated with the breeze over the heads of the graduates of 1942—many of whom were themselves soon to be in the Service—while the class picture was being taken.

Other outstanding features of Class Day were the presentation of a gift of books to the College by Sigma Lambda Theta, the gift to be the nucleus of a Library Gift to be known as the Sigma Lambda Theta Library Foundation.

Beta Sigma Gamma presented a gift of money to the Bryant Service Club, and the Club received several other gifts of money—from the Outing Committee, the Greek Letter Dance Committee, from President Jacobs; from Dr. Everett E. Salisbury, President of the Alumni Association; from Professor Lee; and several others.

Another new term started September 8 with new courses and four new teachers. The new Medical Secretarial Course, with Dr. Charles Potter as one of the instructors, and with experienced nurses to come later, is proving very popular. Many of the men students have enrolled in the Army Pre-Induction Training Program, and the Navy V-1 Program. A Physical Director is also a new feature of the year. Students at Bryant this year include four young men from Reykjavik, Iceland; one from Puerto Rico; a young woman from Austria; and a pretty girl whose Seeing Dog conducts her safely to classes and lies quietly at her side as she works in the Office Machines department.

Bryant is more war minded than ever this year. Other than the annual all-college "get acquainted" dance, and the Smoker, the Tea given at the beginning of the term, and the Rush Parties of the various sororities and fraternities, the social affairs of the year will have some war effort or charity as the motivating interest, with the Bryant Service Club in the lead as the favorite beneficiary. A Scrap Metal Dance Friday afternoon, October 16, in Bryant Auditorium, with scrap metal the requisite for admission, brought thousands of pounds of scrap. 4,990 pounds of iron came from the beautiful old ornamental fence around Salisbury Hall.

No Re-union This Year

Because of the War, the Bryant Alumni Re-union will be omitted this year. So many alumni are in the Service; so many others are working hard in business, in government and war industry; and the thoughts and interests of all of us are so deep in the war effort, that it was deemed advisable to wait until next year for our next Alumni Re-union. THEN, with this War won, and our Bryant men back home, what a Re-union we will have! We, who have any part in it will make it not only the greatest Alumni Re-union we've ever had, but the greatest affair of any kind ever held at Bryant. What a celebration it will be! What a welcome back we will give the Bryant men in service, and the Bryant men and women back from War jobs at the home front!

Bryant Alumni in the Armed Forces

One of the things in which Bryant alumni are most interested is who of their former classmates are in the Service of our country, how they are and where they are.

Two hundred and sixty-four Bryant alumni are now in the Service (at the time this issue goes to press) and it is impossible in the limited space of the BULLETIN to give complete addresses and news of these men. The best we can do is to give the names of our gallant fighting alumni. However, many alumni will want to write to some of these men, or send them a card for Christmas, and if such letters or cards are addressed (and stamped) and sent to the Editor of the ALUMNI BULLETIN we will be glad indeed to forward them. We make a great effort to get the very latest addresses.

This list, also, may serve to remind some alumni of other Bryant men who are in the Service but are not yet on our list. Will you write to the Bryant Service Club giving any such names? Give us the current army or navy address, if you have it; if not, just the name will help. We will try to ferret out the address if possible. We want every single Bryant alumnus to have a Christmas package and greeting from the Bryant Service Club. Help us, please?

The Bryant Service Club

The Bryant Service Club, "Of Bryant men and women For Bryant men in the Service of our country," has begun to function with renewed vigor and interest after the college vacation.

Alumni have read of the Bryant Service Club in the last issue of the ALUMNI BULLETIN. You will remember that the purpose of the Club is to send letters, candy or cookies, cigarettes and knitted articles to Bryant men in the Service and to sell War Stamps and Bonds. The Club was started the last day of March, and was such an immediate success, with such unanimous and whole-hearted enthusiasm back of it, that every man and woman of the student body and every member of faculty and administrative staff was soon doing something for it—either in service or with contributions. A club whose members are not yet earning their own living is obviously limited in funds, but it was amazing how many dimes rolled in for cigarettes, how many boxes of candy and cookies were donated, how many socks, sweaters, scarfs and helmets were knitted, and how many letters were written. And what warm appreciation poured in to the Club from the men in the Service who received the letters and packages, and from their friends and relatives. Alumni from all parts of the country read about the Club and wrote in asking how they, too, could help, often enclosing a bill which they asked us to use for candy or cigarettes or something for "our boys."

When the Club was started, we had about 160 men in the Service; at Commencement time, in August, there were 215. Today, when this issue of the BULLETIN goes to press, there are 264 Bryant men in the Service. At least, that is the number known to us. There may be others of whom we have not heard. So the job of the Club is bigger this year than ever, but with the wonderful spirit that is

back of it, the job can and will be done. Nothing finer has ever been done at Bryant, and it cannot, will not, fail.

There are no dues for Club members. A service or a contribution—big or little—makes the doer or the giver a member of the Club entitled to wear the little orange and black B. S. C. button.

Last year the membership was held entirely within the student body. The students felt rather proud to do it all themselves. But so many alumni in all parts of the country have asked to be allowed to help, that this year we are opening the doors to any alumnus or alumna who wants to join. If you are buying War Stamps and Bonds anyway, as everybody is, you may want to buy them through the War Stamps and Bonds Committee; or you may want to feel that you have helped send a package of cigarettes or candy or cookies to some Bryant man who is over there ready to give his life for us. If you do, we will gratefully welcome your membership, for we want every Bryant man who is wearing Uncle Sam's uniform to know that

We are now and ever after in his debt.

What most he loves, as all men love, he gives.

The last sweet drop of blood, the last harsh breath of life.

So, DIG DOWN, DIG DEEP, and ask the question fair,

"How does MY gift, with HIS, of life, compare?"

The first shipment of packages and letters from the Bryant Service Club will go out in time to reach Bryant soldier boys, overseas and in camps all over the country, in time for Christmas. Not a single Bryant alumnus in the Service who is on our list and whose address we have, will be forgotten, if we have to mortgage the lamps in front of South Hall or go lunchless or cigarette-less for the rest of the term.

Out of Circulation

Evelyn Beebe, '38, formerly Secretary to the Director of Publicity in Bryant College, is engaged to be married. Our informant did not tell us the lucky man's name.

Pvt. Charles Tompkins, U. S. A., '38, is one of the happiest men in the Army, for his engagement to Miss Ruth I. Barney, of East Providence, was announced recently.

Gardner W. Congdon, '36, is another Bryant alumnus whose wedding intentions were filed recently. He will marry Miss Margaret M. Bowen soon.

Miss Katherine B. Krueger, '33, and for several years an instructor in the shorthand division of Bryant, has pledged her troth to Lieutenant Bernard C. Mullen, Jr., '38, now in the United States Navy Air Corps.

Olive Michie, '30, and Mr. George F. Wilkes may be Mister and Missus by now. Their wedding intentions were published in July.

Mary Barbour Ronne, '41, is engaged to Mr. Sherman R. Halladay of Providence, according to a June announcement.

Roland Isherwood, '37, is to marry Miss Myrtle Jackson, the engagement having been announced recently. Mr. Isherwood, by the way, has just been appointed to an important position with the Bell Telephone Company of Canada, in which country he plans to make his home.

Phyllis Yelle, '42, is engaged to Mr. William Weygand. Miss Yelle was President of her class in the Secretarial school.

Mary L. Hall, '40, is a future bride. Her engagement to Mr. Norwell F. Therien of Newport, was announced recently. Miss Hall was a Sigma Lambda Theta girl.

Lillian Kapelow, '38, is engaged to Mr. Edward S. Finberg of Providence.

Ruth V. Worthington, '38, will be giving orders to an army officer some day in the future. Her engagement was recently announced to Lieutenant Arthur Lewis Smith, Jr.

Those two fascinating Edwards girls, Frances and Phyllis, are now letting a lot of masculine hearts go back to beating normally again, for an announcement made recently by their parents removes them as heart menaces. Phyllis, '38, is engaged to Mr. H. Allen Davis, Jr., of Fall River; and "Fran", who is a senior at Bryant now, will marry Willard H. Nickerson, Jr., '39, of her home town, Chatham, Massachusetts.

Carmella Santoro, whose twinkling eyes and sunny smile made her one of the popular favorites of the class of 1942, has promised to be true to Emo Baldani, to whom her engagement has been announced.

Gordon Van Eck, '41—now Corp. Van Eck, of the U. S. A., is wearing a happy smile these days. His engagement to Miss Jeannette P. McAlpine, of Newport, to whom he will be married on November 14.

Margaret M. Blinkhorn, '39, is engaged to Ensign Albert E. Martin, Jr., U. S. N. R., according to an announcement made in August.

Olive Swift, '41, is engaged to Corporal Arthur S. King, U. S. A., according to an August announcement.

AN APOLOGY

The ALUMNI BULLETIN regrets sincerely an error in the last issue. We reported erroneously that Edith Cornell, '34, had been married. Miss Cornell's engagement to Mr. Leslie M. Reid of Augusta Springs, Virginia, had been announced, and we inadvertently announced it as a marriage, instead of an engagement. The BULLETIN is very careful to check all information which comes to it, rejecting all anonymous contributions and using only information which comes from reliable sources. But even Homer nodded.

We are truly very sorry, Miss Cornell.

Heirs and Heiresses

Mitchell Joseph Fried is his name, and the stork dropped him at the Waterbury, Connecticut, home of Mary De Lauritis ('37) Fried and Mr. Fried on June 24.

Muriel Pickett ('36) Kent, of East Providence, and Mr. Kent are the parents of a baby boy, Peter Sumner Kent, who arrived in May.

It's a baby girl at the Charles W. Hill home in Pawtucket. Little Lynne Middleton Hill arrived there in June, just after the last issue of The Alumni Bulletin had gone to press. Daddy was graduated from Bryant in '27, returning to receive his Master's Degree in '40. Mrs. Hill was formerly the very popular and attractive Receptionist at the College.

Dorothy E. Lindquist, '37, who is now Mrs. William Thomas of Worcester, Massachusetts, sent very cute announcements to the College a few months ago, telling of the arrival of a "sun" and heiress, Beverly Ann Thomas.

The former Evelyn Rich, '34, is another Bryant alumna who is a proud parent. Evelyn is now Mrs. Abraham Rodensky and she and Mr. Rodensky welcomed to their home in January last Master Richard Edward Rodensky.

Phebe Briggs ('36) Houghton and hubby Richard Houghton, a well-known Engineer of Long Island, are infanticipating.

Harold Peter Basler arrived in East Providence on September 26, to make happy his parents, Mr. and Mrs. Harold P. Basler. The proud mother is the former M. Elizabeth Fox, '36.

In Memoriam

Former United States Senator Jesse H. Metcalf, a member of the Board of Trustees of Bryant College, died at his home in Providence, October 10, in his 81st year.

This distinguished statesman, scholar and philanthropist was a familiar figure at important events of the College for many years, where his kindly philosophy and dry wit had endeared him to everyone. For many years Mr. Metcalf was internationally known for his valuable contributions of wisdom and money to the industrial, social and educational world. He had been decorated many times for his services to the health, welfare and educational institutions of his native Rhode Island and abroad. In 1930, Bryant College conferred upon him the Honorary Degree of Master of Business Administration.

A scholar, a gentleman, a friend. He will be missed.

One of Bryant's most illustrious alumni, General Luke H. Callan, died in September at the age of 67.

General Callan's death ended a colorful life. He began his business career with the United States Rubber Company, later going to the Bristol Electric Lighting Company. His next move was to go into business for himself, founding the Callan Construction Company and becoming a pioneer in highway construction. He built the first hard surfaced roads in Florida and was in charge of many important highway construction jobs in Rhode Island, New Hampshire and Vermont. Early in his career he became interested in military affairs, rising rapidly in rank in World War I when he commanded the 107th Engineers. For distinguished service in the Second Battle of the Marne, Brigadier General Callan was awarded the Croix de Guerre with Gold Star. During the Meuse-Argonne offensive he commanded his regiment for forty-seven days without relief. For this, and other deeds, he was recommended for the Distinguished Service Medal. He was also given the Order of the Purple Heart and the Order of the Silver Star.

Frank W. Clemens, one of Bryant's early graduates, President of the Wakefield Trust Company, died in September at his home in Narragansett, Rhode Island. Mr. Clemens had been employed by the Wakefield Trust Company for forty-five years, rising from the position of clerk to President. He was prominent in Masonic and other fraternal and church circles.

Margaret F. Hurley Clark, who was in the first women's graduating class of Bryant, died early in September at her home in Providence. Mrs. Clark, who was eighty-five years old, was one of the first women bookkeepers at the Rhode Island Cardboard Company in Rhode Island. She was a member of one of the oldest and most prominent families of Providence.

Wedding Bells

No where in the great war effort in government and industry are there any busier people than Bryant alumni, yet many of them have found time to listen to the dulcet tones of Cupid.

Of especial interest to thousands of Bryant alumni is the marriage of Miss Josephine Krupa, '31, for many years a member of the Faculty of the Secretarial division of the College. At a lovely wedding in September, Miss Krupa became the bride of Dr. Raymond Costa of her home city, Fall River. Dr. Costa was well-known to many Bryant alumni who met him when he was Miss Krupa's escort to the College social affairs. Dr. and Mrs. Costa are now "at home" in Fall River, in a charming new home.

One of the prettiest weddings Providence has seen in a long time was that of Janet Wright Park, '38, to Corp. S. Russell Chadwick, of the Signal Corps at Fort Monmouth. James M. Collier came up from his post at Camp Devens to be best man, and his bride of a few months, Florence Park Collier, '36, who is a sister of the bride and Secretary to the Executive Secretary of Bryant, was the matron of honor. The new Mrs. Chadwick is Assistant Secretary-Treasurer of the Providence Production Credit Association in Providence and will continue at her post while Corp. Chadwick is in the Service.

Peter H. Barlow, Jr., '39, is a recent bridegroom. He placed the gold band on the hand of pretty Miss Edith M. Deer, of North Providence, early in July, and the happy couple are now living in Washington, D. C. Pete is now Master Sergeant and is stationed at the Army War College in Washington.
