Dear Service Club Members,

Ten-shun! Yes siree, Bryant Service Club is right on the beam doing a fine job for their service men.

Many thanks for another surprise remembrance from your club and you can be sure it is always a most welcome surprise. I have not heard of another college keeping in contact with its service men so faithfully. You should be commended for this excellent undertaking.

I found your recent letter very interesting. It is a great source of encouragement to know that the "home front" is backing its armed forces to the limit by making many sacrifices.

In closing shall I say — keep up the good work! Yes, not for a selfish motive, but I can assure you that your gifts are shared with hundreds of our buddies. You can realize to some degree how far reaching your work is

Gratefully yours,
Marvin C. Banks
