TO

U. S. ARMY AIR FORCES

Dear Bryant:

I'm having a swell time down here in Florida as much as I see it as the Army keeps me pretty busy. I'm stationed at the Basic Training Center of the Army Air Corp. Technical Training Corp. It's the strictest basic training center in the country but I like it a lot! Would you write me the names & address, that you know of, of the boys that left with the C.C.  
Sincerely - Bob Bernstein
