Providence, R.I.

Hi fellows:

Word has been received from home that acknowledgment was not received by you of the package mailed me in July.

A jubalough was given me at the end of August, at which time I had the pleasure of thanking Mr. Rippy, in lieu of the Services Club, for your kind gift. Evidently the press of business made the notation of the thanks impossible at that time.

Thanks once again, good luck.

Sincerely  
Bill Berth
