Dear Bryant Service Club,

Sorry I'm a little late
in thanking you for the
cigarettes, but as you have
probably noticed, I have
changed address.

He moved Monday, and
I haven't had a chance
to write until now.

The weather is hot
and uncomfortable, but

other than that I have
no complaints.

I hope to be given a
furlough soon, it certainly
will be nice to see
"home" again.

Just more than a
million for the cigarettes

Regards to all of Bryant.

Geo.
