

Camp Shelby, Miss Jan 6 1944

Dear Miss Blaney; and members of the Service Club.

I want to thank you for the letter and package which I received.

On Tuesday the 2nd I was told that I could have a furlough I left Camp Shelby, Wednesday night and arrived home 2:15 Saturday morning. It sure was nice spending Christmas at home.

I had a cold and spent most of my time home resting.

Thanking you all very much.

Very sincerely yours

Warren
