Bryant Service Club
Bryant College
Providence, Rhode Island

Dear Sirs:

I received the copy of the Bryant Alumni Bulletin the other day and I was very much interested to read about some of my former classmates, and also the splendid work that the Service Club is doing for the men in the Service.

I never received a questionnaire but from what I gathered from reading it I should have received one. I sincerely hope that this organization will continue to do the fine job which it has started to cheer up the men in the service.

I hope you will send me a copy of the Bulletin every time it comes out as I like very much to read about my friends with whom I have no contact now. Also I would like to say that I personally would prefer cigarettes.

Knowing that Bryant will continue to send out men who will be qualified for any position or situation which might arrive. In closing let me say I wish to thank you very much for your generosity and know that it will be continued.

Sincerely

Cpl. Gardiner W. Congdon
