Bento

Dear Mr. Ripley,

You remember me don't you?
I am writing to get a little help from
you regarding the 1943 Ledger.

That Ledger is of great interest
to me and I would certainly hate
to miss it. Perhaps you can
investigate the situation and see that
the proper person gets my request
for a copy of it.

Incidentally, William Bento, who
is new, too, mentioned to me that he
was wondering about it.

Whatever help you can give
me will be appreciated. Just

have it, and any cost or
charges, sent direct to me at
my Scott Field address.

Thanks a lot.

Yours sincerely,
Phil Cornell
