March 26, 1943

Dear Friends,

I received your letter and the pound of tobacco you sent me last week and I thank you very much for them. Your letter was very interesting; it is good to hear what is going on a Bryant these days.

I was glad to learn that Mr. Stone has been appointed a lieutenant in the Naval Reserve. Will you please send me his address as I would like to communicate with him.

My address, after March 28, 1943 will be Navy Recruiting Station,  
Post Office Building  
Bangor, Maine

I thank you again for the tobacco and the letter.

Yours very truly,

Gerard L. Dubamel
