Camp Sutton
NORTH CAROLINA

21 December 1943

Dear Friends:

I want to take this opportunity to thank all members of the Bryant Service Club for the Christmas present I received.

This year my present came while I was sick in the Hospital here at Camp Sutton. My friends and I enjoyed the candy very much and commented how nice it was of the Service Club.

I think the Service Club is doing a grand job and I wish to thank you all again.

Sincerely,

Edward F. Ellsworth.
