

UNITED STATES ARMY
HARBOR DEFENSES OF BOSTON

Thursday
May 4, 44

Hello "Bang",

Just a few lines to let you know that I received the swell package you sent to me at Easter. These cookies and candies really hit the spot. You can probably guess how long they lasted in a barracks full of hungry wolves, just about five minutes.

Maybe some of you know Janet Lewis - well I'll be seeing her over this week end. She's in the waves now you know and she's due to be on leave this

weeks. She was attending Bryant
the same time I was.

The first chance I get I'm
going to drop in at "good old
Bryant, and see what it looks ^{like} again.
I hope it will be soon.

Thanks again for your
thoughtfulness.

Sincerely

Wally Ferrer
