Bryant College Service Club

You wrote January 22
regarding Charles E. Hackings
address. As he was expect-
ing a change of address-
at that time I did not
answer the letter.

Charles graduated
from the Embury Riddle
School of Aviation -
Welding - on January 9
but was held there until

March 4th when he
entered the Officer's
Candidate School
at Miami Beach.

His wife who was with
him at Christmas did
not know anything
about the package you
sent but said she
thought everything had
been acknowledged.
His address until May 30
will be

c/o Charles E. Hacking
Squadron 7 Group B Wing 1
A.A.F., U.S.S.
Miami Beach, Florida

He was studying very hard around the holidays and probably forgot to write thanking you.

In as much as it was insured I feel sure it would have reached him.

Sincerely

Mrs Chester Hacking
