Dear Chairman

I'm sorry I have delayed so long in acknowledging the nice gift you sent me. However, it was swell & the candy was delicious. I want to thank the Bryant Service Club for remembering me. It brought back memories of the many good times I had while I was going to Bryant.

At present I am studying to be a ditatype operator & it is quite easy. I have four weeks more & then I can be shipped anywhere so I will drop you a card with my new address on it.

Again I want to thank you & the students of Bryant.

Sincerely yours

Pat. Tim J. McCarthy

P.S. Omaha is a swell city & if you should ever travel

on the subject you might  
spend a few hours here. You  
will enjoy it for every-  
thing is well
