

U. S. ARMY AIR CORPS
MAXWELL FIELD, ALA.

The Bryant Service Club

Providence, R. I.

Thank you for the generous gift
of cigarettes I received this afternoon.

To say the least, I was both
surprised and gratified to find that my
Alma Mater is taking such an interest
in its graduates who are in the service.

I have been here at Maxwell Field,
now, for three weeks and next week
will shed the title of zombie and don the
fringe and claws of an upperclassman. After
my pre-flight training is completed here I
am looking forward to Primary Flight School.

Again, I would like to express my appreciation
and thanks for your kind gift.

Yours for Victory
