

8th Provisional En.
Camp Claiborne, La.
June 22, 1943

Bryant College Service Club
Providence, R. I.

Gentlemen:

— Or should I say "Ladies"
sounds more like a Service
Club that way.

It was a couple of
months ago that I
received a package containing
small boxes of candy for
which I am very thankful
indeed. The package followed
me around awhile before
catching up with me because
I was at OCS at Ft. Belvoir,
Virginia when I received it. I
was a candidate. I received
my commission, Corps of
Engineers, United States Army
on June 9, 1943 as 2nd
Lieutenant. I wish you

would kindly let the school know so they can see what we Bryant fellows are doing for our country.

I am assigned here temporarily as assistant adjutant and S-4, Headquarters 8th Provisional Battalion. I will be assigned permanently soon I hope.

Thanks again for the package sent me.

Sincerely

"Tom" Moran
