

UNITED STATES ARMY * * *

March 31, 1943

Dear Friends:

It's been a long time since I last wrote you a letter. As you can well imagine, we are kept pretty busy down here.

I want to thank you all for the gift you sent me a few days ago. It certainly makes me feel good to hear from you once in a while.

It's getting late and I haven't much more time left so Good Luck.

William J. Matthews
