

My dear Mrs. Bell.

17/29/48

Thank you so much for the delicious box of candy which I received from you. It was certainly a nice idea, and the candy was enjoyed by my friends as well as myself. It's nice to be remembered by you, and I've been over here on the fighting front and elsewhere feel the same.

Have you received an Alumni Bulletin in ages? Are they still being published - if so, I'd like to get some. Please date my new fellow member in case the Bulletins are sent to me.

Thanks again - and a happy New Year to you all.

Sincerely,
N. B. Roughton, Jr.
