To The Bryant Service Club:

This little note is to say an appreciative thanks for the box of candy sent me at Easter by the Bryant Service Club.

You can't imagine the good feeling it gives one incide to know that those back home have him in mind. A gift at such a time is doubtly appreciated.

Thanks again....and be sure I'm very grateful for the friendly and good work of the Bryant Service Club.

Sincerely

Aft folest C. Williams Class of 136
