Dear Bryant Service Club:

Thank you very much for the gift which I received from you a few days ago.

It certainly makes me feel wonderful to know that the members of my school remember me and send me things like this. My one regret is that I cannot thank them one and all for this splendid work they are doing.

I expect to have my address changed within the next few weeks and will inform you of the change.

Thanks again for all you are doing for myself and all the other men in the service.

Sincerely  
Pvt Charles H. Tompkins
