Bryant Sewie Club.
Bryant College
Providence, Rhode Island.

In answer to your recent letter - dated Jan. 23, 1943 address to my parents, please be advised that I did acknowledge receipt of your most-welcomed gift.

Since graduating from Bryant I have received only the one package.

I wrote to Mrs. Stehney - this is probably the reason why the Bryant Sewie Club. never is notified.

I certainly appreciated the thoughtful "gesture" of receiving the wonderful pair of hand-knitted socks - They sure did come in handy this winter..

I would appreciate it. very much, if some

of my 'Bryant Alumni' would stop me
a line.
