Dear Miss Blaney:

Just a line to let you know where Warren is stationed now if he hasn't already written to the Service Club.

He was in Tennessee on maneuvers for nearly three months and then he was sent to Camp Hood Texas. A few days later he came home on a fifteen day furlough in July. After his return to Camp Hood he was transferred to Camp Robinson Arkansas. His address now is:

Pvt. Warren M. Williamson  
ASN 31180472 ✓  
Headquarters Btry.  
559 Field Artillery Bn.  
Camp Robinson Arkansas

P. S. We are enclosing his picture and a little money to help out for the Service Club.

NOTE: \$5.<sup>00</sup>

Thanking you, we remain
