Dear Gang,

Thanks very much for the nice Christmas package. It arrived in excellent condition and was del-icious. Our Christmas was very different from last year. Turkey, all the fixings, mince pie. (hot too!) yes, it really was swell.

Here it is almost a new year and I do hope it is the last one. Two of them in Italy are too, too many. Perhaps we'll have the meat at home, but if we don't - well anyway, Happy New Year to the whole gang and thanks again.

Sincerely,
Capt Earl V Malmberg
