Tampa, Florida.

Dear Bryant Members,

This is to inform you that I received your fine gift of cigarettes in good condition and in time for Christmas.

Time and distance prevent me in thanking each and every Service Club member for its fine and generous organization. I am sure that the splendid work you are performing will never be forgotten and will live forever in the hearts of every Bryantite.

I, in return, with the greatest appreciation, thank you all for remembering me.

Best wishes to all of you for a very happy Christmas and hoping that the new year will bring us all together again.

Respectfully yours,

Louis Bastone
