To the Bryant Service Club -

all the thanks in the world
for the Christmas package. Same arrived
in perfect condition after travelling
most of the distance around the globe
to reach yours truly. We that is myself
plus the remainder of my barracks,
proceeded to devour the contents in short
order and one and all were amazed
to learn that a fellow's school would
perform such a service. When they were
then informed by me that this was
the their package received by this
soldier from the Bryant Service Club
since my entry into the service, their
praise for your great work was unanimous.

To their praise I wish to add that
my appreciation for the gracious gesture
is beyond words. Just the thought
alone was worth a million dollars to
this fellow's morale and in this
thought I only echo the thoughts
of all other Bryant alumni serving
their country overseas.

Gratefully Yours
Walter L. Bergquist.
