Gentlemen:

This is to advise you that I have changed, or have had a change in my Army address, to Hq. & Hq. Battery, Field Artillery Replacement Training Center, Fort Sill, Oklahoma, and now have a Corporal rating. However, please let me remind you again, that all communications should be directed to me as follows, and never to an Army address:

W. E. Brahmer
c/o Mrs. L. H. Winell
Zillock Road, R.R. #1,
San Benito, Texas

Personal - Please Forward

Please mark your records accordingly, as well as check to be sure that the College Administration Records are marked accordingly. Too much mail goes astray in the Army, and I just want to be sure that I get all mine.

By the way, I have not received the Bryant paper for about six or seven months, so I am wondering if that has gone astray, or haven't they printed one in the past half year? Please advise me, and send me any late issues. I wrote you last when I wrote to thank you for having the two "flat fifty" Camel cigarettes sent to me. I trust that my letter was received, as I did (and

-2-
want to thank you kind folks for sending
the cigarettes.

You are doing a fine job, and I know
that it is sincerely appreciated by the boys.

Please remember, when you or anyone
at the school want to get in touch with me,
please always write me at my permanent
mail address in Texas, as stated above. That
will insure safe receipt of letters, etc.

I wish you all a Merry Christmas and a Most
Happy New Year.

Most sincerely,

W. E. Brahmer
