To the members of the Bryant Service Club.

I wish to thank you all again for your thoughtfulness in sending me your welcomed gift. I surely appreciate all that you have done for me and the good work that your organization is doing so much for us boys in the service. All of us I know are proud of what you at Bryant are doing. You are doing a mighty swell job and we are sure proud of each and everyone of you.

Thank you again for your gift.
My address is once more

Yours truly,
Cpl. Richard K.
