Dear Members,

I received your gift a short
while ago and, while it still
was a while before Christmas,
I couldn't resist the temptation
to open it. I can assure you
that the box was very much
appreciated.

Again I want to thank
you for the remembrance. I hope
that sometime I can get down
and express my thanks in
person.

Sincerely yours,

Jenneth B. Hazard
Chief Pay Clerk, USCGR

It has been some time since I
last wrote to you. I have been
one of the fortunate ones in that
I now have a wife. I still keep
in contact with a few of the old
Bryant men. Chubby Baker '41
is still in England, as far as I
know, while Gordon Whitejohn
'42 is on the West Coast.

Occasionally, I hear of other
Bryant men but due to the
constant turnover in the service it
is hard to keep in contact with
any of them.
